necessary neutral soap

Do not use solvent-based or abrasive cleaning
detergent

A close-up photograph of a light-colored wood surface with a prominent vertical grain pattern and some knots. The wood has a clean, bright appearance.

ASH WHITE

A close-up photograph of a dark, almost black wood surface. The grain is visible but much less pronounced than in the white version, giving it a sleek, monochromatic look.

ASH BLACK

A close-up photograph of a natural oak wood surface. It features a warm, medium-brown tone with a very distinct and wavy grain pattern.

OAK NATURAL

A close-up photograph of a light-colored wood surface with a grain pattern similar to the natural oak, but with a much cooler, greyish-white color palette.

OAK WHITE

2F VELVET

WHAT IS

100% Polyester

FEATURES

High abrasion resistance

High pilling resistance

High colour fastness to artificial light

Water repellent

Anti Stain

MAINTENANCE

It can be easily cleaned using a soft wet cloth or if necessary neutral soap

**REVES
BLUE**

The image shows a marble pattern with a light, almost white base color. It features soft, wavy veins in shades of pale blue and light grey, creating a delicate and airy appearance.

**REVES
CHOCO**

The image displays a marble pattern with a dark, muted brown or taupe base. It is characterized by intricate, swirling veins in lighter brown and beige tones, giving it a rich and textured look.

**ETOILLE
SYMPHONIE**

The image features a complex marble pattern with a light beige or cream-colored base. It is filled with a dense network of veins in various shades of brown, tan, and a striking blue-grey, creating a vibrant and multi-colored design.

POLYURETHANE
