Papillon Dining Table

Papillon Dining Table

Un basamento suggestivo che si distingue per la sensazione di leggerezza data dalle fasce metalliche che si incrociano in un nodo centrale, creando una struttura che si staglia nello spazio e appare quasi priva di peso.

A striking base that stands out for its sense of lightness, created by metal bands intersecting at a central node. This design forms a structure that elegantly extends into space, appearing almost weightless.

Papillon Dining Table

Tavolo in versione fissa e allungabile con basamento in metallo verniciato. Disponibile con meccanismo di estensione Up System e One System. Il piano può avere sia forma rettangolare che a botte, nei seguenti materiali: materico, ceramica, vetro stampato e vetro trasparente. Nella versione fissa può avere anche il piano impiallaccato.

Available in both fixed and extendible versions. Available with a painted metal base and can be equipped with the Up and One extension system. The tabletop is offered in both rectangular and barrel shapes and is available in a variety of materials, including textured finishes, ceramic, printed glass, and transparent glass. In the fixed version, a veneered tabletop is also an option.

Misure disponibili

Available sizes

Papillon Fisso Papillon Fixed

Papillon Allungabile Up System Papillon Extendible Up System

Papillon Allungabile One System Papillon Extendible One System

Up System binario scorrevole e alzabile con allunghe

Up System sliding, liftable track with extension leaves

Due allunghe sono poste sotto il piano del tavolo, alle estremità di un binario scorrevole. Per allungare il tavolo è necessario far scorrere il binario verso l'esterno e alzarlo leggermente: in questo modo le allunghe escono e si posizionano a filo del piano principale. Un sistema molto pratico che permette di prolungare il tavolo senza rinunciare allo stile.

Two extension leaves are located under the table top at the ends of a sliding track. To extend the table, simply slide the track out and lift it slightly: this releases the extensions, which lock into place flush with the main table top. This highly practical System allows you to extend the table without compromising on style.

One System staffe estraibili con allunghe esterne

One System pull-out brackets with external extensions

Due staffe per lato sono poste sotto il piano del tavolo e, all'occorrenza, escono con un movimento scorrevole. Le allunghe vengono appoggiate e agganciate sopra le guide ma, nel momento in cui non sono necessarie, vengono tolte per essere custodite in uno spazio a piacere, mentre le staffe rientrano. In pochi e semplici step, il tavolo aumenta di dimensioni e di stile.

Two brackets are located on each end under the table top and can be slid out when required. The extension leaves are designed to slot securely into place on top of the runners. When they are no longer needed, they can be removed and stored in your chosen location, while the brackets slide back in. Give the size and style of your table a boost in just a few simple steps.
