Specifications of Melfi

Flexlux Melfi is a modern lounge sofa series that evokes comfort by fusing rounded sophistication with refined, playful details. Its robust low-profile and cushioned appearance offers a true lounge experience. The pull-in stitching and piping lend the design a lively and exclusive look. Its contemporary aesthetic appeals to the senses and stands out in the modern living space. The series consists of various modules, including ottomans, allowing customised configurations. Due to all-around padding, each module can also stand on its own.
