CONDIZIONI GENERALI DI VENDITA

1. **DISPOSIZIONI GENERALI** Le presenti condizioni generali disciplinano i rapporti contrattuali di vendita tra la società Reflex spa (di seguito "Venditrice") e la propria clientela (di seguito Acquirente) aventi ad oggetto i prodotti della Venditrice (di seguito i "Prodotti"), ai quali viene data attuazione attraverso singoli ordini e relative conferme d'ordine. Le presenti condizioni generali di vendita trovano applicazione anche se non espressamente richiamate e sottoscritte nei singoli ordini e hanno efficacia fino a quando non siano state espressamente revocate dalla Venditrice.
2. **ORDINI** Ogni ordine è assunto con riserva di accettazione da parte di Reflex spa. Tutti gli ordini devono sempre essere specificamente accettati dalla Venditrice e ulteriormente confermati dall'Acquirente. Gli ordini non indicanti le varianti di colori saranno evasi a libera scelta della Venditrice.
3. **MODIFICHE** Eventuali informazioni o dati sulle caratteristiche e/o specifiche dei Prodotti contenute in cataloghi, listini, dépliant, siti web o altri documenti analoghi hanno valore puramente indicativo e non vincolano la Venditrice se non sono espressamente richiamate nel contratto di vendita. Anche dopo la conferma dell'ordine, la Venditrice si riserva la facoltà di apportare ai Prodotti le modifiche che dovessero risultare necessarie ed opportune, senza che per questo l'Acquirente possa sollevare contestazioni o abbia il diritto di risolvere eventuali ordini in corso e/o pretendere indennizzi e/o richiedere riduzioni del prezzo pattuito. In particolare, la Venditrice si riserva il diritto di apportare modifiche di disegno e/o di materiale ai propri Prodotti, senza obbligo di preavviso.
4. **TOLLERANZE** Le indicazioni di peso, spessore e colore sono indicative non vincolanti. Per tutte le misure e finiture fa fede quanto indicato nel listino prezzi. I marmi e i piani in vetro possono subire delle lievi variazioni nelle misure rispetto a quelle indicate nel listino. Per "cristallo" si intende il termine tecnico usato per indicare il vetro (o cristallo) piano float. Le eventuali piccole irregolarità che si dovessero riscontrare sui Prodotti realizzati in legno e marmo sono da imputarsi alle specifiche caratteristiche naturali della materia. Le eventuali piccole irregolarità che si dovessero riscontrare sugli articoli realizzati in vetro di Murano sono da imputarsi alla lavorazione artigianale di ogni pezzo e non sono da considerarsi difetti. I colori di metalli, laccati e marmi sono indicativi poiché è tecnicamente impossibile mantenere la perfetta costanza nel tempo.
5. **PREZZI** Salvo espressa pattuizione in contrario, i prezzi di listino si debbono intendere IVA esclusa. I prezzi si intendono calcolati in valuta Euro. Resta inteso che i prezzi di listino vigenti al momento dell'offerta potranno essere soggetti a variazioni periodiche a discrezione della Venditrice, senza obbligo di preavviso. I prezzi sono validi per le vendite effettuate tramite canale retail tradizionale. Eventuali vendite tramite siti e portali web dovranno essere previamente comunicate ed autorizzate da Reflex. I prezzi dovranno essere richiesti di volta in volta specificando il canale di vendita. Reflex spa si riserva il diritto di non accettare ordini di merce diretta a canali diversi dal retail tradizionale nonché il diritto di non dar seguito ad ordini di merce destinata alla rivendita su siti internet o portali web anche se previamente accettati.
6. **CONSEGNA DELLA MERCE** la merce è resa franco fabbrica (Biancade di Roncade (TV) - Italia) EXW INCOTERMS 2020, salvo diversi accordi. Per gli imballaggi rinforzati in gabbia/cassa legno e/o per spedizione via aerea è previsto un supplemento a carico dell'Acquirente del 10% da calcolarsi sul valore netto della merce.
7. **TRASPORTO** Qualora sia stata convenuta una vendita con trasporto tramite vettore, indipendentemente da colui che incarica il vettore, i rischi passano al Cliente/Acquirente con la consegna della merce al primo vettore: eventuali reclami per rotture, deterioramenti, manomissioni o mancanze dovranno essere denunciati al vettore nei termini di legge previsti, dandone comunque opportuna conoscenza al Fornitore/Venditore.
8. **PAGAMENTO** I pagamenti dovranno essere effettuati in conformità a quanto disposto nella singola conferma d'ordine e, in ogni caso, entro e non oltre 30 giorni data di emissione della fattura, mediante bonifico bancario. Si considera effettuato il pagamento quando la somma entra nella disponibilità della Venditrice presso la sua banca in Italia. Ove sia stato previsto che il pagamento debba essere accompagnato da garanzia bancaria, l'Acquirente dovrà mettere a disposizione almeno 30 giorni prima della data di consegna, una garanzia bancaria a prima richiesta, emessa conformemente alle Norme Uniformi per le Garanzie a Richiesta della CCI vigenti, da primaria banca entro i termini pattuiti. Decorsi 10 giorni dalla scadenza del termine convenuto per il pagamento saranno automaticamente addebitati gli interessi di mora di cui al D. Lgs 231/2002. I bolli delle fatture, delle tratte, delle cambiali e delle quietanze inerenti, nonché le spese di incasso conseguenti alla riemissione delle tratte insolute o protestate sono sempre a carico dell'Acquirente. La venditrice ha diritto di ritenere quanto ricevuto a titolo di acconto in ipotesi di sospensione o revoca dell'ordine da parte dell'Acquirente.
9. **TERMINI DI CONSEGNA** I termini di consegna della merce precisati nella specifica conferma d'ordine o in qualsiasi documento o dichiarazione hanno valore meramente indicativo, non tassativo e non vincolante. Nessun indennizzo è dovuto per la mancata consegna nei termini stabiliti. Eventuali ritardi non danno luogo né al risarcimento dei danni, né alla risoluzione, anche parziale, del contratto. La Venditrice non è responsabile per perdita o danno ai prodotti dopo la consegna della merce.
10. **FORZA MAGGIORE** La Venditrice non sarà responsabile per l'eventuale ritardo/ inadempimento alle proprie obbligazioni e potrà legittimamente sospendere l'esecuzione dei propri obblighi contrattuali quando tale esecuzione sia resa impossibile o irragionevolmente onerosa da un impedimento imprevedibile indipendente dalla sua volontà, quale, a titolo esemplificativo e non esaustivo: sciopero, boicottaggio, serrataggio, incendio, guerra, guerra civile, sommosse e rivoluzioni, requisizioni, embargo, interruzioni di energia, ritardi nella consegna di componenti o materie prime, virus informatici, epidemie, guasti a macchinari etc.
11. **RESA DELLA MERCE** Tutti i resi devono essere previamente autorizzati in forma scritta dalla Venditrice e spediti con imballo originale o comunque identico a quello originale presso la sede di quest'ultima. Il cliente è responsabile per il corretto imballaggio del prodotto reso. In caso di ulteriori danni arrecati al prodotto per insufficiente protezione dello stesso Reflex spa si riserva di addebitare al cliente le spese di riparazione. Tutte le spese per la resa della merce sono a carico dell'Acquirente.
12. **SOSPENSIONE CONSEGNE** La Venditrice si riserva il diritto di sospendere o annullare gli ordini in corso ovvero subordinare la consegna dei Prodotti alla prestazione di adeguate garanzie di pagamento, in caso di inadempimento anche parziale da parte dell'Acquirente degli obblighi dal medesimo assunti, come pure in caso di constatata difficoltà nei pagamenti ovvero qualora venissero a mancare o diminuissero le garanzie di solvibilità o, più in generale, la sua capacità economica.
13. **RECLAMI CONDIZIONI DI GARANZIA**
 - 13.1 La Venditrice garantisce che i Prodotti sono esenti da vizi e difetti nei limiti di cui all'art. 1495 c.c. italiano. Eventuali difformità tra fornitura e conferma d'ordine o eventuali vizi e difetti dei Prodotti devono essere denunciati a pena di decadenza entro e non oltre 8 (otto) giorni dalla consegna o, in caso di vizi occulti, dalla scoperta. Tale denuncia deve specificare i difetti rilevati ed i Prodotti cui si riferiscono, e deve essere effettuata per iscritto dall'Acquirente a mezzo pec o lettera raccomandata con ricevuta di ritorno ovvero a mezzo corriere internazionale con avviso di ricevimento. Qualora il reclamo sia tempestivo e risulti fondato, l'obbligo della Venditrice è limitato, a sua scelta, alla sostituzione o alla riparazione dei Prodotti, o parti di essi, risultanti difettosi salvo diversa decisione dovuta a ragioni obiettive di impossibilità di adottare uno dei rimedi sopra previsti. Fatti salvi i casi di dolo o colpa grave, quanto sopra disposto esclude ogni altra responsabilità della Venditrice comunque originata dai Prodotti forniti o dalla loro rivendita. In particolare, non potranno essere pretesi risarcimenti e/o indennizzi per danni diretti e /o indiretti di qualsiasi natura derivanti all'Acquirente o a terzi, dal mancato o limitato utilizzo dei Prodotti salve le disposizioni inderogabili di legge. La sostituzione o riparazione, sarà effettuata entro il più breve tempo possibile.
 - 13.2 La responsabilità della Venditrice non opera - e pertanto la garanzia è esclusa - ove i vizi e difetti dipendano da anomalo utilizzo o da uso non corretto, ovvero da modifiche o alterazioni del Prodotto (aggiunte o rimozioni di componenti; interventi compiuti da personale non autorizzato), non imputabili alla Venditrice, negligenze nell'installazione od installazione compiute in ambienti non conformi alle specifiche comunicate dalla Venditrice o da danni occorsi durante il trasporto ovvero da cattiva manutenzione (es pulizia con prodotti o mezzi impropri) . Eventuali contestazioni riguardanti una singola consegna non esonerano l'Acquirente dall'obbligo di ritirare la restante quantità di Prodotti prevista dallo specifico ordine, oppure da altri ordini distinti da quello in esame. In particolare la garanzia non include danni da trasporto o occorsi a seguito dello scarico della merce al cliente finale, danni imputabili a uno scorretto utilizzo del prodotto o al posizionamento dello stesso in ambienti inadeguati, qualunque conseguenza imputabile al montaggio scorretto del prodotto, qualunque danno dovuto all'utilizzo quotidiano del prodotto, a incidenti o a cause di forza maggiore.
 - 13.3 I Prodotti dovranno essere montati e installati seguendo minuziosamente le istruzioni, le modalità e gli accorgimenti indicati dalla Venditrice; in caso di inosservanza di quanto sopra la Venditrice declina ogni responsabilità per eventuali danni che possono, direttamente o indirettamente, derivare a persone o cose in conseguenza della mancata osservanza di tutte le prescrizioni indicate nell'apposita documentazione che accompagna i Prodotti, ed in particolare quella concernente le avvertenze in tema di installazione, uso e manutenzione.
14. **DIRITTO DI REGRESSO** L'Acquirente rinuncia a esercitare il diritto di regresso nei confronti della Venditrice nel caso in cui subisca una azione di garanzia da parte di un consumatore finale del Prodotto o una azione di regresso da parte di qualsiasi altro intermediario della stessa catena distributiva.
15. **RISERVA DI PROPRIETA'** Tutti i Prodotti consegnati in conto vendita, conto visione, conto esposizione, conto prestito d'uso, restano di proprietà esclusiva della Venditrice fino al pagamento totale del prezzo e dei costi accessori. Sino al saldo della fornitura, la Venditrice si riserva la facoltà di reimpossessarsi e recuperare i Prodotti a spese dell'Acquirente, anche presso terzi cui l'Acquirente abbia ceduto/ venduto il bene. Nonostante la riserva di proprietà sui Prodotti in favore della Venditrice, i rischi relativi ai Prodotti passeranno all'Acquirente al momento della loro consegna all'Acquirente stesso. L'Acquirente dovrà mantenere un'adeguata assicurazione, rilasciata da primaria compagnia assicuratrice, a copertura di ogni rischio sui Prodotti.
16. **LEGGE APPLICABILE E FORO COMPETENTE IN VIA ESCLUSIVA** Le presenti Condizioni Generali di Vendita e tutti gli ordini e i contratti stipulati con la Venditrice (ivi compresi gli eventuali contratti relativi alla prestazione di servizi accessori alla vendita quali, a titolo esemplificativo, l'installazione e la riparazione dei Prodotti forniti) s'intendono regolati dalla legge italiana. Ogni controversia inerente ai contratti stipulati tra Venditrice e Acquirente, di qualsiasi natura, sarà devoluta in via esclusiva alla giurisdizione italiana e in particolare alla cognizione esclusiva del Foro di Treviso (Italia). Resta inteso tra le parti che soltanto il Venditore, a propria discrezione, avrà la facoltà di rinunciare alla competenza del Foro esclusivo di cui al precedente paragrafo per agire in giudizio nei confronti del Cliente, al suo domicilio e presso il Foro ivi competente.
17. **CLAUSOLE FINALI** Deroghe o modifiche alle presenti Condizioni Generali di Vendita saranno valide solo se espressamente accettate per iscritto dalla Venditrice ed avranno valore solo per le vendite a cui si riferiscono. Qualora la Venditrice non esercitasse dei diritti o delle facoltà riservatigli dalle presenti Condizioni Generali di Vendita, tale comportamento non potrà essere considerato come una rinuncia a tale diritto o facoltà né precluderà alla Venditrice la possibilità di far valere successivamente detti diritti o facoltà, o qualsivoglia altro diritto o facoltà previsti in suo favore nelle presenti Condizioni Generali di Vendita.
18. Le presenti Condizioni Generali di Vendita sono redatte in italiano e in inglese. In caso di difformità tra il testo italiano e quello inglese, prevarrà quanto disposto dal testo in italiano.

GENERAL SALE CONDITIONS

1. **GENERAL PROVISIONS** These general conditions govern the contractual sales relations between the company Reflex spa (hereinafter the "Seller") and its customers (hereinafter the Buyer) relating to the Seller's products (hereinafter the "Products"), which is implemented through individual orders and related order confirmations. These general conditions of sale are applicable even if not expressly referred to and signed in individual orders and are effective until they are expressly revoked by the Seller.

2. **ORDERS** Each order is subject to acceptance by Reflex spa. All orders must always be specifically accepted by the Seller and further confirmed by the Buyer. Orders not indicating the colour variations will be processed at the Seller's free choice.

3. **MODIFICATIONS** Any information or data on the characteristics and / or specifications of the Products contained in catalogues, price lists, brochures, website or other similar documents are purely indicative and do not bind the Seller unless they are expressly referred to in the sales contract. Even after confirming the order, the Seller reserves the right to make any changes to the Products that may be necessary and appropriate, without the Buyer being able to raise disputes or having the right to terminate any orders in progress and / or claim compensation and / or request reductions in the agreed price. In particular, the Seller reserves the right to make design and / or material changes to its Products, without prior notice.

4. **TOLERANCES** The indications of weight, thickness and colour are indicative and not binding. The sizes and finishes indicated in the price list are the valid ones. The marbles and glass tops may undergo slight variations in size compared to those indicated in the price list. "Crystal" is the technical term used to indicate flat float glass (or crystal). Any small irregularities that may be found on Products made of wood and marble are due to the specific natural characteristics of the material. Any small irregularities that may be found on items made of Murano glass are attributable to the craftsmanship of each piece and are not to be considered defects. The colours of metals, lacquers and marbles are indicative, as it is technically impossible to maintain perfect consistency over time.

5. **PRICES** Unless expressly agreed to the contrary, the list prices are VAT excluded. Prices are calculated in Euro currency. The list prices in force at the time of the offer may be subject to periodic changes at the discretion of the Seller, without prior notice. The prices are valid for sales made through the traditional retail channel. Any sales through websites and web portals must be previously communicated and authorized by Reflex. Prices must be requested from time to time specifying the sales channel. Reflex spa reserves the right not to accept orders for goods directed to channels other than traditional retail as well as the right not to process orders for goods intended for resale on websites or web portals even if previously accepted.

6. **DELIVERY OF GOODS** The delivery terms are ex works (Biancade di Roncade (TV) - Italy) EXW INCOTERMS 2020, unless otherwise agreed. Reinforced packaging in wooden crates/cages and special packaging for air-freight require a surcharge of 10% to be paid by the Buyer and to be calculated on the net value of the goods.

7. **TRANSPORT** If a sale with transport by carrier has been agreed, regardless of who instructs the carrier, the risks pass to the Customer / Buyer with the delivery of the goods to the first carrier: any claims for breakages, deterioration, tampering or deficiencies must be reported to the carrier within the terms of the law, however giving appropriate knowledge to the Supplier / Seller.

8. **PAYMENT** Payments must be made in accordance with what indicated in the individual order confirmation and, in any case, no later than 30 days from the invoice date, by bank transfer. Payment is considered to have been made when the sum becomes available to the Seller at its bank in Italy. If it is agreed that the payment must be accompanied by a bank guarantee, the Buyer must provide at least 30 days before the delivery date, a first demand bank guarantee, issued in accordance with the Uniform Rules for Guarantees on Request of the CCI in force, from a leading bank within the agreed terms. After 10 days from the expiry of the deadline agreed for the payment, the default interest as per Legislative Decree 231/2002 will be automatically charged. The stamps of the invoices, drafts, bills of exchange and inherent receipts, as well as the collection costs resulting from the reissue of the unpaid or protested drafts are always at charge of the Buyer. The Seller has the right to withhold what has been received as a down payment in the event of suspension or revocation of the order by the Buyer.

9. **DELIVERY TIME** The delivery time of the goods indicated in the order confirmation or in any document or declaration are purely indicative, not mandatory and non-binding. No compensation is due for failure to deliver within the established terms. Any delays do not give rise to compensation for damages, or to the termination, even partial, of the contract. The seller is not responsible for loss or damage to the products after delivery of the goods.

10. **FORCE MAJEURE** The Seller will not be responsible for any delay / failure to fulfill its obligations and may legitimately suspend the execution of its contractual obligations when such execution is made impossible or unreasonably onerous by an unforeseeable impediment independent of its will, such as, by way of example and not limited to: strike, boycott, lockout, fire, war, civil war, riots and revolutions, requisitions, embargoes, power outages, delays in the delivery of components or raw materials, computer viruses, epidemics, machinery breakdowns, etc..

11. **RETURN OF GOODS** All returns must be previously authorized in writing by the Seller and sent with original packaging or identical to the original at the Seller's premises. The Buyer is responsible for the correct packaging of the returned product. In the event of further damage to the product due to insufficient protection of the same Reflex spa reserves the right to charge the customer the repair costs. All costs for returning the goods are at charge of the Buyer.

12. **SUSPENSION OF DELIVERIES** The Seller reserves the right to suspend or cancel orders in progress or make the delivery of the Products subject to the provision of adequate payment guarantees, in the event of even partial non-fulfilment by the Buyer of the obligations assumed by the same, as even in the event of ascertained difficulty in payments or if the guarantees of solvency or, more generally, its economic capacity are lacking or diminishing.

13. COMPLAINTS WARRANTY CONDITIONS

13.1 The Seller guarantees that the Products are free from flaws and defects within the limits set out in art. 1495 of the Italian Civil Code. Any discrepancies between supply and order confirmation or any faults and defects in the Products must be reported under penalty of forfeiture within and no later than 8 (eight) days of delivery or, in the case of hidden defects, of discovery. This report must specify the defects found and the Products to which they refer, and must be made in writing by the Purchaser by certified e-mail or registered letter with return receipt or by international courier with acknowledgment of receipt.

If the complaint is timely and is confirmed as well-founded, the Seller's obligation is limited, at its choice, to the replacement or repair of the Products, or parts of them found to be defective, unless otherwise decided due to objective reasons of impossibility of adopting one of the remedies provided above. Except in cases of wilful misconduct or gross negligence, the foregoing excludes any other liability of the Seller in any case originating from the Products supplied or from their resale. In particular, no compensation and / or indemnity can be claimed for direct and / or indirect damages of any nature arising from the Buyer or third parties, from the failure or limited use of the Products, subject to the mandatory provisions of law. The replacement or repair will be carried out as soon as possible.

13.2 The Seller's liability does not operate - and therefore the guarantee is excluded - where the defects and faults depend on abnormal use or incorrect use, or on modifications or alterations to the Product (additions or removals of components; interventions carried out by unauthorized personnel), not attributable to the Seller, negligence in installation or installation carried out in environments that do not comply with the specifications communicated by the Seller or damage occurred during transport or from poor maintenance (eg cleaning with improper products or means).

Any disputes regarding a single delivery do not exempt the Buyer from the obligation to collect the remaining quantity of Products provided for in the specific order, or from other orders distinct from the one in question.

In particular, the warranty does not include transport damage or damage occurring as a result of unloading the goods to the end customer, damage attributable to incorrect use of the product or its positioning in unsuitable environments, any consequence attributable to incorrect assembly of the product, any damage due daily use of the product, accidents or force majeure.

13.3 The Products must be assembled and installed carefully following the instructions, methods and precautions indicated by the Seller; in the event of non-compliance with the above, the Seller declines all responsibility for any damage that may, directly or indirectly, derive to persons or things as a consequence of the failure to comply with all the requirements indicated in the specific documentation accompanying the Products, and in particular that concerning the warnings on installation, use and maintenance.

14. **RIGHT OF WITHDRAWAL** The Purchaser renounces to exercise the right of recourse against the Seller in the event that it undergoes a guarantee action by a final consumer of the Product or a recourse action by any other intermediary of the same chain distributive.

15. **RESERVATION OF PROPERTY** All Products delivered on consignment, on view, display, loan account, remain the exclusive property of the Seller until full payment of the price and ancillary costs. Until the balance of the supply, the Seller reserves the right to repossess and recover the Products at the Buyer's expense, including from third parties to whom the Buyer has transferred / sold the goods. Despite the retention of title on the Products in favour of the Seller, the risks relating to the Products will pass to the Buyer at the time of their delivery to the Buyer. The Buyer must maintain suitable insurance, issued by a primary insurance company, to cover any risk on the Products.

16. **APPLICABLE LAW AND JURISDICTION** These General Conditions of Sale and all orders and contracts entered into with the Seller (including any contracts relating to the provision of additional services to the sale such as, by way of example, the installation and the repair of the Products supplied) are understood to be governed by Italian law. Any dispute concerning the contracts stipulated between the Seller and the Buyer, of any nature, will be devolved exclusively to the Italian jurisdiction and in particular to the exclusive knowledge of the Court of Treviso (Italy). It is implied between the parties that only the Seller, at its own discretion, will have the right to renounce the jurisdiction of the exclusive court referred to in the previous paragraph to take legal action against the Customer, at his domicile and at the competent Court therein.

17. **FINAL CLAUSES** Exceptions or changes to these General Conditions of Sale will be valid only if expressly accepted in writing by the Seller and will have value only for the sales to which they refer. If the Seller does not exercise the rights or faculties reserved for it by these General Conditions of Sale, such behaviour cannot be considered as a waiver of such right or faculty nor will it preclude the Seller from subsequently asserting said rights or faculties, or any other right or faculty provided in his favour in these General Conditions of Sale.

18. These General Conditions of Sale are drawn up in Italian and English. In case of discrepancies between the Italian and English text, the Italian text will prevail.
