DINING **ROLF**
BENZ

Rolf Benz DINING collection.

Eating together, working from home or spending cosy evenings with dimmed lighting: the dining room is the heart of the home and the central meeting place for family and friends. The Rolf Benz DINING collection combines the flexibility of a modern lifestyle with an extra touch of comfort. Everyone feels at home sitting at a spacious, natural wood table on invitingly soft chairs.

Discover the wide range of models, materials, colours and configuration options: whether you prefer elegant leather or soft velvet, solid wood or metal, you can adapt all chairs to suit your individual taste. Optional comfort options encourage your guests to sit back, relax, and enjoy the moment. Chairs from Rolf Benz will always sit well with you: they are all “made in Germany” and have been awarded the “Blue Angel” certificate.

Sit back and relax.

Simply wonderfully soft: sink into the comfortable design of Rolf Benz NOA. The soft look of the pleats and top-stitching adds a touch of comfort to any table. Design Rolf Benz NOA to suit your personal taste. Whether you want a uniform material or a combination of fabric and leather, the versatility of the Rolf Benz cover collection gives you free rein. For the legs you can choose between Traffic black and Umbra grey, or give Rolf Benz NOA additional arm sections if your guests prefer to sit back and relax into the small hours.

Rolf Benz 655

Design: Hoffmann / Kahleyss

Cover: 26.267/40.201
Feet: Umbra grey

Soft on the inside with clear lines on the outside, the chair's fine lines combine the classic style of the 1950s with modern comfort. The Cacharel pleat in the back of the chair makes Rolf Benz 655 especially eye-catching. For the metal legs you can choose between the colours Black, Umbra grey or Silver.

Rolf Benz ENI

Design: Formstelle

Whether used as an additional seat next to the sofa in the living room, or to accommodate an extra guest at the dining table, Rolf Benz ENI is an icon for compact lounging and combines the comfort of a lounge armchair with the seat height of a dining chair. Every single stitch in the faceted backrest of the accurately covered frame is perfect.
