

Oliver B.

NEW COLLECTION
2025/2026

ABOUT DETAILS

We are proud to present our **latest collection**, which embraces cutting-edge **finishes** and **innovative design shapes**. Each piece in this collection is carefully crafted with the highest attention to detail.

CASA

SIPARIO

Table with ceramic top and metal base

DESIGN Dexanto Studio

SIPARIO

Table with ceramic top and metal base

DESIGN Dexanto Studio

This designer table features a sleek metal base paired with a soft-shaped ceramic top, creating a harmonious blend of modern elegance and functional style. The **smooth, organic contours** of the ceramic surface offer a sophisticated touch, while the sturdy metal base ensures durability and stability.

SIPARIO

Console with ceramic top and metal base

DESIGN Dexanto Studio

An elegant and contemporary console table. The surface showcases soft, **rounded edges** and smooth lines, giving the piece a warm and inviting appearance. The **metal leg** is designed with gentle curves that create a **harmonious flow**, offering a striking contrast between structural strength and visual lightness.

SLEEK TOP

DESIGN Oliver B.

The new table top showcases a harmonious blend of **fluid curves**, creating a dynamic visual appeal. These distinctive lines are not just about looks—they're carefully engineered to bring **balance and elegance**.

HUG CHAIR

Chair with solid ash structure and upholstered back and seat

DESIGN Dexanto Studio

This chair showcases a modern design with a beautifully **crafted wooden frame** and a **smooth seat**. The clean lines and minimalist style make it a versatile piece that fits seamlessly into any contemporary space.

DOMINO

Table with ceramic legs and top
DESIGN Oliver B.

This elegant table features both a ceramic top and ceramic legs, creating a **seamless and sophisticated look**. The smooth, durable ceramic surface is not only visually striking but also easy to maintain, while the ceramic legs provide a sturdy foundation with a unique, modern touch.

MELTED GLASS TOP

DESIGN Oliver B.

An elegant **glass top** distinguished by its **soft**, flowing lines and gently rounded edges, creating a sense of lightness and sophistication.

The **smooth surface** enhances the **organic**, curved contours add warmth and a contemporary feel.

MARTINA LOUNGE CHAIR

Solid ash and upholstered lounge seat
DESIGN Oliver B.

The lounge chair features a striking, sculptural form that embraces the body in a way that feels both inviting and supportive. Its flowing lines and minimalist silhouette make it an ideal addition to any contemporary setting, whether placed in a **living room, office, or lounge area**. The ergonomic design ensures that every moment spent sitting is a moment of pure relaxation.

WILD

COSMO

Solid wild oak table
DESIGN Oliver B.

COSMO

Solid wild oak table

DESIGN Oliver B.

Crafted from **solid wood**, this table combines timeless durability with a soft, organic design. The **gentle curves** and smooth edges offer a modern yet inviting aesthetic, making it the perfect addition to any dining or living space.

HUG CHAIR WILD VERSION

Chair with solid ash structure and upholstered back and seat
DESIGN Dexanto Studio

This modern chair features hand-patinated buffalo leather, offering a unique and luxurious finish. The rich texture and depth of the leather are carefully crafted, ensuring each piece is one-of-a-kind.

FRED

Solid wild oak console

DESIGN Oliver B.

The organic curves bring a contemporary softness to the solid structure, making it a perfect piece for both modern and timeless interiors. Whether placed in an entryway, living room, or hallway, this console adds a touch of natural beauty and understated sophistication to any space.

FRED

Solid wild oak table

DESIGN Oliver B.

A striking dining table crafted from solid oak, celebrating the natural beauty and **texture of the wood**. The top features soft, organic edges and a **gently curved silhouette** that brings a sense of warmth and approachability to the design. Its distinctive character is further enhanced by four **asymmetrical legs**, thoughtfully arranged to create a sculptural, contemporary presence.
