Contenitori

Storage units

Con i contenitori si progettano soluzioni componibili personalizzate che contribuiscono ad organizzare al meglio la zona giorno. In appoggio o sospesi, su panca o su basamento, i contenitori sono disponibili in diverse misure e materiali, con vani chiusi e vani a giorno, accessoriabili con luci a LED interne o perimetrali.

The storage units can be used to design custom modular solutions that help make the living room a supremely organized space. Sitting on top of other units or wall mounted, set on a bench or a base, the storage units come in different sizes and materials, with doors or open shelving, and can be accessorized with internal or perimeter LED lighting.
