NOTES

- Contrast stitching is available only with certain covers and option is managed directly in NARES (vers. 453-541-545).
- Contrast welt is available to be managed as 1° COV: contrast welt - 2° COV: ottoman (vers. 405-543).
- Version 177: Small round ottoman with castors
- Vers. 231 available only in fabric with contrast leather or fabric belt, handle and piping option.
- Version 243: Small assimetric cube shaped ottoman is available with contrast welt; second cover (welt) is always Le Mans both for leather and fabric.
- Version 253: Small rectangular ottoman available with storage; opening with pistons
- Version 345: Second option version of 405, large round ottoman with studs around the base
- Version 405: Large round ottoman available with contrast welt option
- Version 453: Large square ottoman with storage (available only as second option)
- Version 541: Large rectangular ottoman with a quilted cushion top
- Version 543: Large square ottoman available with contrast welt option
- Version 545: Large round ottoman with a quilted cushion top (not available in EMEAI)
- Version 546: Second option version of 543, large square ottoman with studs around the base
- Version 653: Small square ottoman available with storage; opening with pistons
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- The model will be wrapped in a plastic bag.

NOTES

- Versions 042 - 090/091 - 104 - 177 - 179 - 453 have castors as feet.
- Feet height 3,0 cm
- Version 231 to be ordered in two coverings:
- 1st covering: ottoman in fabric
- 2nd covering: belt, handle and piping in leather (Le Mans only) or in fabric, same category as the 1st covering

BED MECHANISM & MATTRESS

MECHANISM		MATTRESS				
VERSIONS	TYPE	VERSIONS	TYPE	DIMENSIONS		
				W	L	H
264	Electro-welded - Double folding	264	GREENPLUS	140	193	14

GREENPLUS

GREENPLUS mattress is a patented, innovative product. It is ecological, made up of microporous elastomers. It has a great adaptation capacity to the various body pressure which gives big support to the spine. It is antibacterial and no-allergic.

NOTES

- Stitching on model is based on the color of the welt; even on versions without welt (i.e. pouf, corner, armless chair) the second covering needs to be entered in Nares so that the stitching will be the same as the rest of the sofa.
- The model has external soft touch buttons on the arm to activate the mechanism.
- Version 010 ottoman is available only with comfort standard.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- All arms, back and seat surfaces are covered in Top Grain.
- This model is available with split leather exterior covering (Side, Rear and Front Panels)
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- No Leather/Fabric Side (the sectional pieces have the side covered with lining and not leather nor fabric)
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- The model will be wrapped in a plastic bag.

NOTES

- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)
- Feet height 4,0 cm

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather or fabric.
- Contrast stitching is available only with certain covers and option is managed directly in NARES.
- Dual power mechanism: The model has 4 buttons inside the arm to activate - independently - the headrest and footrest.
- Second option versions 480/481 have 2 adjustable headrests on the left and right terminal backs
- Second option version corner 489 has both headrests adjustable.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- All arms, back and seat surfaces are covered in Top Grain.
- This model is available with split leather exterior covering (Side, Rear and Front Panels)
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.

NOTES

- Packaging: plastic wrap for stationary versions and cardboard box for motion/sofabed versions
- Feet available in metal finishings 77 (Glossy Chromed) / 79 (Matte Black)
- Feet height 14,0 cm

		266,666,668,669	GREENPLUS	160	195	11
		530,550	Memory	160	195	11

Ready-Bed electro-welded	The back cushion goes under the bed mechanism.
GREENPLUS	GREENPLUS mattress is a patented, innovative product. It is ecological, made up of microporous elastomers. It has a great adaptation capacity to the various body pressure which gives big support to the spine. It is antibacterial and no-allergic.
Memory	Non-allergic memory mattress available with zippered cover that can be easily taken off and washed.

NOTES

- Available in leather or fabric.
- This model is available with split leather exterior covering (Side, Rear and Front Panels)
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- No Leather/Fabric Side (the sectional pieces have the side covered with lining and not leather nor fabric)
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- Packaging: plastic wrap for stationary versions and cardboard box for sofabed versions.
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)

NOTES

- Second option versions have feet available in metal finishing 78 (Black Chrome)
- Feet height 12,0 cm

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Model is available with contrast welt (or any another decorative detail such as a band under arm cushion) to be entered as second covering in the same category.
- Contrast stitching option is available only when the sofa is monocoloured meaning 1st and 2nd coverings are the same.
- The multifunctional console, with a full wooden finish, features a spacious tabletop, a storage drawer, a built-in USB port, and connectors for adding optional features—blending style, convenience, and versatility. The console can be ordered with its own version code 821 or 823. For order entry please use XXX for alias code and finishing code ST49 ash brown or ST50 ash blonde.
- CUBICOMFORT™ Triple-Motion Technology is a registered trademark. It denotes a set of independent motion systems that activate the various elements of the sofa (seat, backrest, headrest and footrest) allowing each person to adjust their position of absolute comfort to the millimeter.
- Triple motion mechanism (vers. Nxx) activates footrest, headrest and lumbar support. The power mechanism switch is on the external side panel which also allocates a USB charging port.
- Models with triple motion mechanism have a "home" button that resets from the relax position to the original position all in one movement. The "home" button is the first of the three switches and is activated by continuous pressure.

NOTES

- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Versions M93 (2pc) - M55 (3pc) - M46 (2pc) are made and shipped in multiple packages.
- All arms, back and seat surfaces are covered in Top Grain.
- This model is available with split leather exterior covering (Side, Rear and Front Panels)
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- With Leather Side (the sectional pieces come with leather sides)
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- Packaging: plastic wrap for stationary versions and cardboard box for motion/sofabed versions
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)
- Feet height 5,5 cm

	VISUAL APPEARANCE*	Low ☒	Medium ☐	High ☐		
	LEGS	Metal ☐	Upholstered ☐	Plastic ☐	Castors ☐	Wood ☒

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather or fabric.
- Contrast stitching is available only with certain covers and option is managed directly in NARES.
- CUBICOMFORT™ Triple-Motion Technology is a registered trademark. It denotes a set of independent motion systems that activate the various elements of the sofa (seat, backrest, headrest and footrest) allowing each person to adjust their position of absolute comfort to the millimeter.
- Triple motion mechanism (vers. Nxx) activates footrest, headrest and lumbar support. The power mechanism switch is on the external side panel which also allocates a USB charging port.
- Models with triple motion mechanism have a "home" button that resets from the relax position to the original position all in one movement. The "home" button is the first of the three switches and is activated by continuous pressure.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Versions M93 (2pc) - M55 (3pc) - M46 (2pc) are made and shipped in multiple packages.
- All arms, back and seat surfaces are covered in Top Grain.
- This model is available with split leather exterior covering (Side, Rear and Front Panels)
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)

NOTES

- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- Packaging: plastic wrap for stationary versions and cardboard box for motion/sofabed versions
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)
- Feet height 5,5 cm

	VISUAL APPEARANCE*	Low ☒	Medium ☐	High ☐		
	LEGS	Metal ☒ Upholstered ☐	Metal ☒	Plastic ☐	Castors ☐	Wood ☐

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- Ergocert Certified. Human-Centered Design certification by Ergocert, is the first European ergonomics certification body. This certification guarantees that the entire design and production process has been completed by listening to the needs of the end user to create and offer an effective and unique comfort experience.
- «Dual Power Motion» Mechanism allows you to recline the entire seat and independently adjust the headrest in order to customize your desired position.
- Dual power mechanism with power switch on inside panel of the arm that activates recliner and headrest and includes an USB charging port.
- Power adjustable headrest that can be adjusted separately for optimum head support (Manual on stationary versions).
- Thanks to ZeroWall mechanism, seat and back cushions can be reclined at a great length without moving sofa away from the wall.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)

NOTES

- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- Packaging: Cardboard wrap.
- Feet available in metal finishings 77 (Glossy Chromed) / 79 (Matte Black)
- Feet height 15,5 cm

027,422,423,562	Ready-Bed electro-welded - Double folding	027,422,423,562	Polyurethane foam	160	190	13

Ready-Bed electro-welded The back cushion goes under the bed mechanism.

NOTES

- Available in leather (TG only) or fabric.
- Contrast stitching is available only with certain covers and option is managed directly in NARES.
- For technical reasons, versions that provide fixed wide arm (stationary, sofabed and chaise) can be combined only with versions: 218/219, 018/019, 216/217, 272/274, 047/049, 377/379, 292, 001, 011, 422/423, 022/023 as well as versions that provide the choice of the arm can be combined only among them: 562, 508, 212, 276, 228, 503, 505.
- All versions, except 011, have adjustable headrests in multiple positions.
- The levers are positioned on both sides: when you pull them forward two wheels under the lever lower and lift the front part of the sofabed to easily move it.
- Versions 508 and 562 are available with the lift lever option to be selected during the order entry phase with an upcharge available for all pricelists. By selecting the lift lever option, the metal legs of the bed mesh are replaced by small wheels.

NOTES

- EMEA ONLY - Armless 3-seater sofas versions 508 (with double bed) and version 562 (with large double bed) can be ordered with new arm options:
 - 503 couple of square arms (right + left arms)
 - 505 couple of large square arms (right + left arms)
 - 228 couple of curved arms (right + left arms)
 Can be assembled only with versions 562-508-212-276
- Chaise longue dimensions without arms:
 - 212+503 (arm set) = 115 cm / 45,27"
 - 212+228 (arm set) = 125 cm / 49,21"
 - 212+505 (arm set) = 137 cm / 53,93"
- Corner Terminal can be ordered with or without storage:
 - Vers.200/201 corner terminal without storage
 - Vers.590/591 corner terminal with storage, they feature a storage compartment in the central seat cushion, with a handle for easy opening. A second storage compartment is located on the end element.
- Seat cushion zippered (the seat cushion is attached to the frame through a zipper)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- No Leather/Fabric Side (the sectional pieces have the side covered with lining and not leather nor fabric)
- Internal wooden frame.
- Packaging: plastic wrap for stationary versions and cardboard box for sofa-bed versions.
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)
- Feet height 4,0 cm

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- Dual power mechanism with external switch on the side panel that activates recliner and power headrest lift with manual adjustable tilt position and includes an USB charging port.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- Packaging: Cardboard wrap.
- Metal legs available with matt black (79) or metal gold (90) finishings
- Feet height 13,0 cm

- Ergocert Certified. Human-Centered Design certification by Ergocert, is the first European ergonomics certification body. This certification guarantees that the entire design and production process has been completed by listening to the needs of the end user to create and offer an effective and unique comfort experience.
- Version 239 (sofa 3 seater with 2 cushions) has the friction mechanism available for the arms only while version 009 has friction mechanism available for both arms and back cushion.
- Soft arm and high backrest equipped with friction mechanisms to provide unparalleled comfort.
- Soft touch sensors, positioned on the inside of the arm, operate a fluid motion footrest recliner.
- Headrest should be moved always forward and never backwards because it may ruin the front part of the covering.
- The armless relax seats have an upholstered switch flap on the side that can be easily hidden between the seats to activate the mechanism.
- The switch for version chair without arms with mechanism (versions 338/F38/F25), is on the left hand side of the seat (front view)

NOTES

- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Legs available in both metal or wood; finishing to be selected as an option in nares, the version remains the same.
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)
- Feet available in metal finishing 78 (Black Chrome)
- Packaging: Cardboard wrap.

	LEGS	Metal ☒	Castors ☐	Plastic ☐	Wood ☐	Upholstered ☐	

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Model is available in fabric only.
- Model Roma is available in fabric with code C257 and in leather with code X257. The versions of the models can be combined with eachother.
- Manually adjustable backrest through a tilting mechanism: 2 positions, back and forth.
- Manually adjustable arm with ratchet mechanism.
- Versions 754/755 (large armless chair with left/right terminal and adj. backrest) include a ceramic side top on the terminal in jazz white finishing only.
- New modular sectional versions that allow compact configuration solutions by also combining new additional elements such as the “self-standing backrest”. This version has a carefully studied weight placed internally in its base. You can feel free to move it around and place it as needed on the seating surface to easily provide back support.
- 229 version to be used only as a corner while the 100 as a loose ottoman. These versions have same dimensions and look similar, but they differ from each other by the legs positioning.
- To facilitate delivery operations, the backrests will be disassembled and no longer attached to the structure. In the feet box, along with the feet assembly instructions, the backrest assembly instructions will also be included.
- Packaging: Cardboard wrap.
- Feet available in metal finishings 77 (Glossy Chromed) / 79 (Matte Black)

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- «Dual Power Motion» Mechanism allows you to recline the entire seat and independently adjust the headrest in order to customize your desired position.
- Available in two different sizes: King size (version F44) and Queen size (F45). Compared to the queen version, the king version is taller and wider.
- The chair is also available as a swivel (version 066) in one dimension only (same as the queen version)
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- The model has external switch on the side panel to activate the mechanism.
- Metal base available in unique metal finishing anthracite.
- Packaging: Cardboard wrap.

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

Low

Medium

High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- Second option versions have a different (simplified) wood leg with a taller height compared to the original (std versions). The different legs lead to a different seat height you can select as an option.
Important Note! In selecting a sectional configuration, make sure you use the either std versions only or 2nd option versions only, in order to get the same overall height on the sectional.
- Packaging: Cardboard wrap.
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- Model Baltimora can be ordered with quilted back cushions using model code X260 or with plain back cushions with model code C260.
- The multifunctional console, with a full wooden finish, features a spacious tabletop, a storage drawer, a built-in USB port, and connectors for adding optional features—blending style, convenience, and versatility. The console can be ordered with its own version code 821 or 823. For order entry please use XXX for alias code and finishing code ST49 ash brown or ST50 ash blonde.
- «Dual Power Motion» Mechanism allows you to recline the entire seat and independently adjust the headrest in order to customize your desired position.
- Functions are operated by the power switch located on outside panel of the arm which also allocates a USB charging port.
- The armless relax seats have an upholstered switch flap on the side that can be easily hidden between the seats to activate the mechanism.
- The switch for version chair without arms with mechanism (versions 338/F38/F25), is on the left hand side of the seat (front view)
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.

NOTES

- Packaging: plastic wrap for stationary versions and cardboard box for motion/sofabed versions
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- Compared to the open base motion models already in collection, this model features a new mechanism that allows to keep clean the sofa bottom, without the wooden shell that usually hide the mechanism under the sofa.
- SINGLE POWER MOTION: Power mechanism that activates a smooth system reclining seat, backrest and footrest for maximum relaxation
- Unique features of its Power Reclining system:
 - allow the headrest to slightly tilt forward simultaneously while reclining to full extent, thanks to a leverage mechanism, delivering optimum support and comfort.
 - allow its off-the-floor underpart to be completely “clear” with no interference, to facilitate “robot vacuum cleaning”.
- Smart touch buttons to activate power reclining functions positioned on the side of the seating
- The armless relax seats have an upholstered switch flap on the side that can be easily hidden between the seats to activate the mechanism.
- The switch for version chair without arms with mechanism (versions 338/F38/F25), is on the left hand side of the seat (front view)
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.

NOTES

- Available in leather (TG only) or fabric.
- EXTRACTIBLE SEAT MECHANISM: This model has an extractible seat mechanism, that assisted by dedicated springs, allow you to swiftly pull-out an extra seating. This brings to a perfect leveled surface, that occasionally can make it become a bed. The mechanism feature doesn't require the removal of any seat nor back cushions. The extracted seat has the same comfort as the one provided when in "sofa" mode (with mechanism closed).
- Available with wide and slim arm options
- Packaging: Cardboard wrap.

The console can be ordered with its own version code 821 or 823. For order entry please use XXX for alias code and finishing code ST49 ash brown or ST50 ash blonde.
- By distributing weight evenly across all pressure points, the zero-gravity power motion system makes you feel weightless. It takes the pressure off your spine and can promote circulation in the legs.
The definition of Zero Gravity Reclining is the ability for your heart to be resting above your feet which provides proven health benefits.
- ZERO GRAVITY™ DUAL POWER MOTION: a unique power motion system that separately and independently activates the different functions, to adjust the seat recliner and the headrest, allowing you to reach extreme comfort in a “zero gravity” position.
- Switch #1: All in One Power Reclining mechanism that simultaneously reclines the back, activates a “comfort tilt” of the seat and a full extension of the footrest, taking you to a “zero gravity” position that will make you experience a total and unparalleled relaxation.

NOTES

- Switch #2: Power Adjustable Headrest which allows you to recline the headrest forward with millimetric precision to support you with a perfect and proper posture.
- Functions are operated by the power switch located on outside panel of the arm which also allocates a USB charging port.
- Second option versions (355/V55/254) with three seats and three cushions have a wider seating vs standard versions (155/T55/064) resulting in a bigger configuration (265 cm/106" vs 238 cm/95,2")
- **PACKAGING & DELIVERY**
This model has been designed in an innovative way to facilitate the delivery to the final consumer throughout separate packages that have sizes and weight that are easy to handle.
- In fact, on the 3-seater power motion sofa you will have a choice of preferred packaging:
 - > Versions T55, V55 and F46 follow the above redesigned packing with 3 separate boxes (Arms / Seat and Base / Backrest) to maximize space in container as well as to facilitate the handling to final consumer.
 - > Versions 155, 355 and 446 are packaged in 1 single box, that can facilitate warehouse management

	LEGS	Castors ☐	Plastic ☐	Metal ☐	Wood ☒	Upholstered ☐

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- «Dual Power Motion» Mechanism allows you to recline the entire seat and independently adjust the headrest in order to customize your desired position.
- The multifunctional console, with a full wooden finish, features a spacious tabletop, a storage drawer, a built-in USB port, and connectors for adding optional features—blending style, convenience, and versatility. The console can be ordered with its own version code 821 or 823. For order entry please use XXX for alias code and finishing code ST49 ash brown or ST50 ash blonde.
- Functions are operated by the power switch located on outside panel of the arm which also allocates a USB charging port.
- The armless relax seats have an upholstered switch flap on the side that can be easily hidden between the seats to activate the mechanism.
- The switch for version chair without arms with mechanism (versions 338/F38/F25), is on the left hand side of the seat (front view)
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Packaging: plastic wrap for stationary versions and cardboard box for motion/sofabed versions
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)

	LEGS	Plastic ☐	Castors ☐	Metal ☐	Wood ☐	Upholstered ☐

NOTES

- To allow modularity, the single elements can be put together thanks to the rubber stops under the legs.
- Model Puzzle with its two size module seats (versione 312 or 281) is particularly suitable for "reverse seating" sectional configurations. Seat versions (312, 281) and corner (489) come with loose back cushions in same cover as the rest of the element (the loose back cushion is not orderable separately).
- 2 arms with different dimensions (233 with slim/high arm or vers 225 with large/low arm). The single arm can be used both on left or right side of your sectional throughout a universal connector.
- 2 size ottomans (versions 010 or 100) that can both be used as a terminal elmeent or in the middle of the seats of your sectional.

NOTES

- Available in leather (TG only) or fabric.
- FABRIC: In fabric contrast welt (or any another decorative detail such as a band under arm cushion) can be made either in same category fabric or in leather with any color of Le Mans (only).
- CUBICOMFORT™ Triple-Motion Technology is a registered trademark. It denotes a set of independent motion systems that activate the various elements of the sofa (seat, backrest, headrest and footrest) allowing each person to adjust their position of absolute comfort to the millimeter.
- Mech. 1: All in One Power Reclining mechanism simultaneously reclines the back and seat and footrest that allows you to reach a horizontal position for unlimited relaxation.
- Mech. 2: Power Lumbar Support allows you to adjust the lower part of the backrest by increasing or decreasing the pressure for a better back support.
- Mech. 3: Power Adjustable Headrest which allows you to recline the headrest forward with millimetric precision and reach a perfect relaxation position for great comfort.
- Equipped with satin label that is intended to indicate the position of the control panel.
- Functions are operated by a three-button power switch located hidden on the seat cushion side.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- Pixel is an extremely versatile and innovative model where you can unleash your creativity in choosing different combinations of coverings between leather and fabric.
- Available in leather and fabric with optional contrast piping.
To be ordered with 2 coverings:
 - 1st Covering = Sofa/Bed
 - 2nd Covering = Piping
- When in leather (3 combo possibilities):
 - 1st and 2nd covering can be ordered in leather with same category.
 - 1st covering in leather and 2nd covering in fabric by selecting any color from the article Brezza.
 - 1st covering in leather (any category) and 2nd covering in leather by selecting any color from the article Le Mans.
- When in fabric (3 combo possibilities):
 - 1st and 2nd covering can be ordered in fabric with same category.
 - 1st covering in fabric and 2nd covering in leather by selecting any color from the article Le Mans.
 - 1st covering in fabric (any category) and 2nd covering in fabric by selecting any color from the article Brezza.

NOTES

- **SLIDING ADJUSTABLE BACKRESTS:** The backrest has a unique manual sliding system that can customize your comfort by increasing or decreasing the seat depth as you wish. The different positions of the backrest assist your preferable way to relax. The backrest operates as follows: At first you need to slide the backrest all the way to the back, to then slide it forward, finding the best position you want to keep it fixed, for back support. The backrest can have 20 positions.
- **ADJUSTABLE ARMS:** the arms are equipped with a manual ratchet mechanism that you can adjust:
 - for major arm support during formal seating.
 - for extra head support, in case you would like to lay down, in horizontal position.
- Its versatility includes two new elements that can be smartly used to complement your configurations:
 - a “self-standing backrest” (vers. 436)
 - a “self-standing armrest” (vers. 437)

Both are independent versions that “self-stand” thanks to a carefully studied weight placed internally in their base. You can feel free to move them around and place them as needed on the seating surface to easily provide back and arm support.

- **MANUAL & POWER SLIDING OPTIONS:**
 - Manual Sliding Versions: 516-517-492-493-731-732-735
 - Power Sliding Versions: 616-617-727-728-729-730-743

POWER SLIDING MECHANISM allows the backrest to move forward or backward changing the depth of the seat. This mechanism is activated by two touch buttons placed on the seat.
- A handle positioned on the lower section allows for smooth sliding adjustment of the backrest
- To allow modularity, the single elements can be put together thanks to the rubber stops under the legs.
- 212 version to be used only as a chaise longue while the 429 as a rectangular corner. These versions have same dimensions and look similar, but they differ from each other by the stitching.
 - > 429 version has extra stitching placed on the short side.
 - > 212 version has no stitching on all sides.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.

NOTES

- The Cuccioloso C310 model can be manufactured exclusively with the PET CARE fabric (Category 70). The Pet Care fabric is GRS-certified, guaranteeing that the material comes from recycled sources and is produced in compliance with strict environmental and social standards. The fabric is available in 7 colors, allowing the seat to be customized according to individual style and preferences.
- Optional: Customization with the pet’s name, embroidered with a single contrasting thread. When entering the order in Nares, in the section where the model details are entered, by selecting “Y” in the Embroidery field, an additional field will open where the name for the customization can be entered.
- This pet bed is completely removable-cover, very easily, thanks to zippers sewn internally; the inner and outer parts of the bed can be removed independently.

The covers are machine washable at 30°C.

NOTES

- Available in leather (TG only) or fabric.
- Ergocert Certified. Human-Centered Design certification by Ergocert, is the first European ergonomics certification body. This certification guarantees that the entire design and production process has been completed by listening to the needs of the end user to create and offer an effective and unique comfort experience.
- By distributing weight evenly across all pressure points, the zero-gravity power motion system makes you feel weightless. It takes the pressure off your spine and can promote circulation in the legs.
The definition of Zero Gravity Reclining is the ability for your heart to be resting above your feet which provides proven health benefits.
- ZERO GRAVITY™ DUAL POWER MOTION: a unique power motion system that separately and independently activates the different functions, to adjust the seat recliner and the headrest, allowing you to reach extreme comfort in a “zero gravity” position.
- Switch #1: All in One Power Reclining mechanism that simultaneously reclines the back, activates a “comfort tilt” of the seat and a full extension of the footrest, taking you to a “zero gravity” position that will make you experience a total and unparalleled relaxation.
- Switch #2: Power Adjustable Headrest which allows you to recline the headrest forward with millimetric precision to support you with a perfect and proper posture.
- Functions are operated by the power switch located on outside panel of the arm which also allocates a USB charging port.

NOTES

- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- Packaging: Cardboard wrap.
- Feet available in metal finishings 77 (Glossy Chromed) / 79 (Matte Black) / 59 (Grey)
- Feet height 15 cm

NOTES

- The Capri project has been designed to meet the need for an easy-to-use project equipped with a “ready to bed”mechanism while preserving the exceptional comfort of a traditional sofa.
- It’s modern and rounded design ensures unparalleled visual appeal and comfort:
 - Foam mattress with a height of 11 cm, available with dimension190x140 and 193x120
 - Manually adjustable headrest across all versions
 - Chaise longue available with or without storage compartment
- Available in leather (TG only) or fabric.
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- The model will be wrapped in a plastic bag.
- Feet available in metal finishings 77 (Glossy Chromed) / 79 (Matte Black)

NOTES

- Available in leather (TG only) or fabric.
- CUBICOMFORT™ Triple-Motion Technology is a registered trademark. It denotes a set of independent motion systems that activate the various elements of the sofa (seat, backrest, headrest and footrest) allowing each person to adjust their position of absolute comfort to the millimeter.
- Mech. 1: All in One Power Reclining mechanism simultaneously reclines the back and seat and footrest that allows you to reach a horizontal position for unlimited relaxation.
- Mech. 2: Power Lumbar Support allows you to adjust the lower part of the backrest by increasing or decreasing the pressure for a better back support.
- Mech. 3: Power Adjustable Headrest which allows you to recline the headrest forward with millimetric precision and reach a perfect relaxation position for great comfort.
- «Micromobility» Starting from the resting position, the sofa moves imperceptibly to keep the body’s muscles active. It works by slowly tilting the seat and footrest simultaneously with micromovements that improve blood circulation, contributing to a deeper state of relaxation.
- The multifunctional console, with a full wooden finish, features a spacious tabletop, a storage drawer, a built-in USB port, and connectors for adding optional features—blending style, convenience, and versatility. The console can be ordered with its own version code 821 or 823. For order entry please use XXX for alias code and finishing code ST49 ash brown or ST50 ash blonde.
- Switch Panel Pocket: A fully upholstered pocket housing the switch panel enhances the visual appeal of the model, offering a distinctive aesthetic element.

NOTES

- Packaging: Cardboard wrap.
- Feet will be in a bag inside the package and requires assembling.
- Feet height 4,0 cm

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

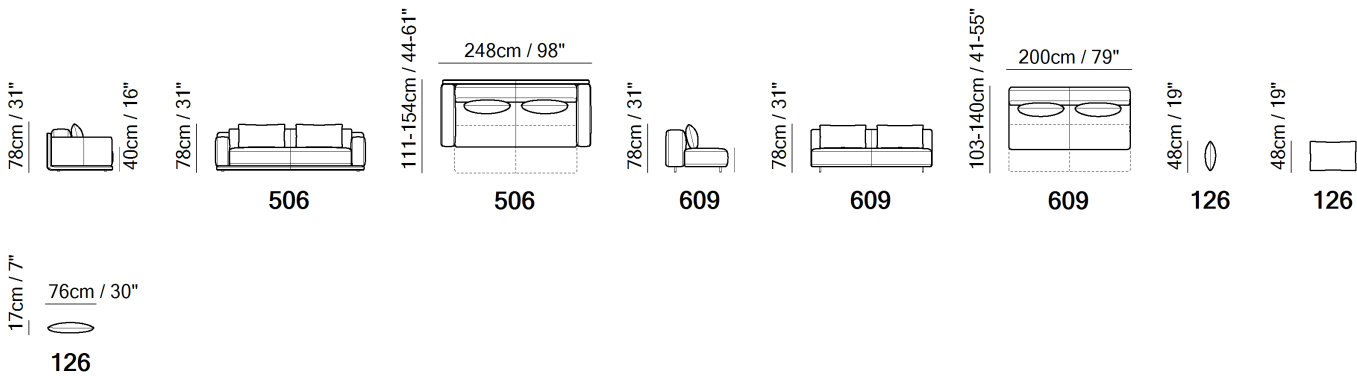

- Available in leather (TG only) or fabric.
- By distributing weight evenly across all pressure points, the zero-gravity power motion system makes you feel weightless. It takes the pressure off your spine and can promote circulation in the legs.
The definition of Zero Gravity Reclining is the ability for your heart to be resting above your feet which provides proven health benefits.
- ZERO GRAVITY™ DUAL POWER MOTION: a unique power motion system that separately and independently activates the different functions, to adjust the seat recliner and the headrest, allowing you to reach extreme comfort in a “zero gravity” position.
- Switch #1: All in One Power Reclining mechanism that simultaneously reclines the back, activates a “comfort tilt” of the seat and a full extension of the footrest, taking you to a “zero gravity” position that will make you experience a total and unparalleled relaxation.
- Switch #2: Power Adjustable Headrest which allows you to recline the headrest forward with millimetric precision to support you with a perfect and proper posture.
- «DualPower Motion» mechanism “All -in-One” power motion system offers a seamless, continuous sequence of functions designed to provide optimum comfort:
 - it starts by adjusting the headrest
 - then reclines both the seat and backrest,
 - and concludes with a final forward tilt of the headrest.

NOTES

- The dual power motion feature is controlled via concealed smart touch buttons positioned between the seat and the armrest.

Footboard closure design: The specific design of the footboard closure with its extended flap further contributes to optimal relaxation while also providing a spacious open base beneath the sofa, making cleaning easier.

- The multifunctional console, with a full wooden finish, features a spacious tabletop, a storage drawer, a built-in USB port, and connectors for adding optional features—blending style, convenience, and versatility. The console can be ordered with its own version code 821 or 823. For order entry please use XXX for alias code and finishing code ST49 ash brown or ST50 ash blonde.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- Packaging: Cardboard wrap.
- Feet are available in metal leg finishings (79 matt black or 70 brushed brass)

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- Model is available with contrast welt (or any another decorative detail such as a band under arm cushion) to be entered as second covering in the same category.
- FABRIC: In fabric contrast welt (as well as any another decorative detail such as a band under arm cushion or backrest or inserts) can be made with any color of art. Le Mans.
- «Dual Power Motion» Mechanism allows you to recline the entire seat and independently adjust the headrest in order to customize your desired position.
- Thanks to ZeroWall mechanism, seat and back cushions can be reclined at a great length without moving sofa away from the wall.
- Power adjustable headrest that can be adjusted separately for optimum head support (Manual on stationary versions).
- The armless relax seats have an upholstered switch flap on the side that can be easily hidden between the seats to activate the mechanism.
- Functions are operated by the power switch located on outside panel of the arm which also allocates a USB charging port.
- The switch for version chair without arms with mechanism (versions 338/F38/F25), is on the left hand side of the seat (front view)

NOTES

- The multifunctional console, with a full wooden finish, features a spacious tabletop, a storage drawer, a built-in USB port, and connectors for adding optional features—blending style, convenience, and versatility. The console can be ordered with its own version code 821 or 823. For order entry please use XXX for alias code and finishing code ST49 ash brown or ST50 ash blonde.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Packaging: plastic wrap for stationary versions and cardboard box for motion/sofabed versions
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)
- Feet height 4,0 cm

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- “Multi Features configuration” sectional sofa. The connecting sides of each version are unfinished and include integrated connectors, allowing the modules to be joined together to create a sectional configuration.
- Manually adjustable backrests: The sofa features a two-position adjustable backrest. By moving the backrest backward, the seat depth increases, allowing for a more relaxed lounging position while also providing higher back support.
- Refined manual backrest mechanism: The provided manual mechanism in metal is beautifully finished in matte black, a refined detail that enhances the sofa’s overall aesthetics and ensures visual appeal from every angle.
- Swift power sliding seat: The versions equipped with this feature (634/635) are designed to adapt comfort to every moment. With a simple smart-touch button discreetly positioned between the seat and the armrest, the seat smoothly slides forward, further extending the seating depth to deliver an enveloping lounging experience.
- Optional lumbar cushion: An optional lumbar cushion (vers. 212) further enhances the model’s versatility and can be used to provide additional lumbar support.

NOTES

- Available in leather (TG only) or fabric.
- By distributing weight evenly across all pressure points, the zero-gravity power motion system makes you feel weightless. It takes the pressure off your spine and can promote circulation in the legs.
The definition of Zero Gravity Reclining is the ability for your heart to be resting above your feet which provides proven health benefits.
- ZERO GRAVITY™ DUAL POWER MOTION: a unique power motion system that separately and independently activates the different functions, to adjust the seat recliner and the headrest, allowing you to reach extreme comfort in a “zero gravity” position.
- CUBICOMFORT™ Triple-Motion Technology is a registered trademark. It denotes a set of independent motion systems that activate the various elements of the sofa (seat, backrest, headrest and footrest) allowing each person to adjust their position of absolute comfort to the millimeter.
- The model has external switch to activate the mechanism.
- Models with triple motion mechanism have a "home" button that resets from the relax position to the original position all in one movement. The "home" button is the first of the three switches and is activated by continuous pressure.
- Feet will be in a bag inside the package and requires assembling.
- Packaging: Cardboard wrap.

BED MECHANISM & MATTRESS

MECHANISM		MATTRESS				
VERSIONS	TYPE	VERSIONS	TYPE	DIMENSIONS		
				W	L	H
008,022,023,508	Ready-Bed electro-welded - Double folding	008,022,023,508	Polyurethane foam	140	190	13
027,422,423,562	Ready-Bed electro-welded - Double folding	027,422,423,562	Polyurethane foam	160	190	13

Ready-Bed electro-welded The back cushion goes under the bed mechanism.

NOTES

- Available in leather (TG only) or fabric.
- Contrast stitching is available only with certain covers and option is managed directly in NARES.
- All versions, except 011, have adjustable headrests in multiple positions.
- The levers are positioned on both sides: when you pull them forward two wheels under the lever lower and lift the front part of the sofabed to easily move it.
- Corner Terminal can be ordered with our without storage:
Vers.200/201 corner terminal without storage
Vers.590/591 corner terminal with storage, they feature a storage compartment in the central seat cushion, with a handle for easy opening. A second storage compartment is located on the end element.

NOTES

- **EXTRACTIBLE SEAT MECHANISM:** This model has an extractible seat mechanism, that assisted by dedicated springs, allow you to swiftly pull-out an extra seating. This brings to a perfect leveled surface, that occasionally can make it become a bed. The mechanism feature doesn't require the removal of any seat nor back cushions. The extracted seat has the same comfort as the one provided when in "sofa" mode (with mechanism closed).
- Seat cushion zippered (the seat cushion is attached to the frame through a zipper)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- No Leather/Fabric Side (the sectional pieces have the side covered with lining and not leather nor fabric)
- Internal wooden frame.
- Packaging: plastic wrap for stationary versions and cardboard box for sofabed versions.
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- The model Kartun with model code X194 is available with larger back cushions (same length of the seat cushions as C194)
- In leather, due to the wide dimensions of its elements, in order to avoid cuts on the seat and back cushions and to also keep its original clean and linear look, model will be available starting from cat. 20.
- To allow modularity, the single elements can be put together thanks to the rubber stops under the legs.
- Two ottomans available (square and rectangular) to be also used as terminal, chaise-longue and additional seat.
- All versions are finished on the sides and come without connectors to be used as single elements.
- Feet will be in a bag inside the package and requires assembling.
- Packaging: Cardboard box. Only ottomans are wrapped in plastic bag.

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- LEATHER: Model available only in Top Grain leather
- Model Roma is available in fabric with code C257 and in leather with code X257. The versions of the models can be combined with eachother.
- Manually adjustable backrest through a tilting mechanism: 2 positions, back and forth.
- Manually adjustable arm with ratchet mechanism.
- Versions 754/755 (large armless chair with left/right terminal and adj. backrest) include a ceramic side top on the terminal in jazz white finishing only.
- New modular sectional versions that allow compact configuration solutions by also combining new additional elements such as the “self-standing backrest”. This version has a carefully studied weight placed internally in its base. You can feel free to move it around and place it as needed on the seating surface to easily provide back support.
- 229 version to be used only as a corner while the 100 as a loose ottoman. These versions have same dimensions and look similar, but they differ from each other by the legs positioning.
- To facilitate delivery operations, the backrests will be disassembled and no longer attached to the structure. In the feet box, along with the feet assembly instructions, the backrest assembly instructions will also be included.
- Packaging: Cardboard wrap.
- Feet available in metal finishings 77 (Glossy Chromed) / 79 (Matte Black)

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- Ergocert Certified. Human-Centered Design certification by Ergocert, is the first European ergonomics certification body. This certification guarantees that the entire design and production process has been completed by listening to the needs of the end user to create and offer an effective and unique comfort experience.
- By distributing weight evenly across all pressure points, the zero-gravity power motion system makes you feel weightless. It takes the pressure off your spine and can promote circulation in the legs.
The definition of Zero Gravity Reclining is the ability for your heart to be resting above your feet which provides proven health benefits.
- ZERO GRAVITY™ DUAL POWER MOTION: a unique power motion system that separately and independently activates the different functions, to adjust the seat recliner and the headrest, allowing you to reach extreme comfort in a “zero gravity” position.
- Switch #1: All in One Power Reclining mechanism that simultaneously reclines the back, activates a “comfort tilt” of the seat and a full extension of the footrest, taking you to a “zero gravity” position that will make you experience a total and unparalleled relaxation.
- Switch #2: Power Adjustable Headrest which allows you to recline the headrest forward with millimetric precision to support you with a perfect and proper posture.
- Functions are operated by the power switch located on outside panel of the arm which also allocates a USB charging port.

NOTES

- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Internal wooden frame.
- Feet will be in a bag inside the package and requires assembling.
- Packaging: Cardboard wrap.
- Feet available in metal finishings 77 (Glossy Chromed) / 79 (Matte Black) / 59 (Grey)

- Headrest with manual adjustable tilt position available only on power motion versions.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- Internal wooden frame.
- With Feet Assembled (the model will be loaded with feet already mounted on the sofa).
- Packaging: Cardboard wrap.
- Metal feet are available in two different finishes: 79 matt black or 89 glossy silver.
- Second option versions have feet available in wood finishings 09 (Walnut) / 18 (Wengè)
- Feet height 15,0 cm

Ready-Bed electro-welded

The back cushion goes under the bed mechanism.

NOTES

- Available in leather (TG only) or fabric.
- Contrast stitching is available only with certain covers and option is managed directly in NARES.
- All versions, except 011, have adjustable headrests in multiple positions.
- The levers are positioned on both sides: when you pull them forward two wheels under the lever lower and lift the front part of the sofabed to easily move it.
- Corner Terminal can be ordered with our without storage:
Vers.200/201 corner terminal without storage
Vers.590/591 corner terminal with storage, they feature a storage compartment in the central seat cushion, with a handle for easy opening. A second storage compartment is located on the end element.
- Seat cushion zippered (the seat cushion is attached to the frame through a zipper)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)

NOTES

- No Leather/Fabric Side (the sectional pieces have the side covered with lining and not leather nor fabric)
- Internal wooden frame.
- Packaging: plastic wrap for stationary versions and cardboard box for sofabed versions.
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)

VISUAL APPEARANCE

The product may reveal various wrinkles due to the combination of Elasticity of the covering, characteristics of the interior construction and the design of the product.

 Low

 Medium

 High

Products with Visual Appearance listed as High or Medium would require higher degree of care, where seats and back cushions may require fluffing and plumping more often than Products with Visual Appearance listed as Low.

NOTES

- Available in leather (TG only) or fabric.
- Model is characterized by decorative "mocassin" stitching.
- Contrast stitching is available only with certain covers and option is managed directly in NARES.
- Standard versions have vertical stitchings on the back cushion; whilst second option versions of this model do not.
- «Dual Power Motion» Mechanism allows you to recline the entire seat and independently adjust the headrest in order to customize your desired position.
- Functions are operated by the power switch located on outside panel of the arm which also allocates a USB charging port.
- A battery pack can be ordered with its own version code 830. For order entry please use XX for category and XXX for cover code. In order to optimize the duration of the battery, it is suggested to order one per each motion seat.
- Tight Seat Cushion (the seat cushions of the models are fixed to the frame)
- Tight Back Cushion (the back cushions of the models are fixed to the frame)
- No Leather/Fabric Side (the sectional pieces have the side covered with lining and not leather nor fabric)
- Internal wooden frame.

NOTES

- Feet will be in a bag inside the package and requires assembling.
- Packaging: plastic wrap for stationary versions and cardboard box for motion/sofabed versions
- Feet available in wood finishings 09 (Walnut) / 18 (Wengè)
- Feet height 5,0 cm
