Subject **New catalogue Spazi**

Dear valued customer,

We are glad to send you herewith our **new catalogue Spazi** and the relevant pricelist, boasting the **latest news about Day systems, Night Systems and sofas and complements**. Please find here below a breakdown of the new products.

SPAZI

Clelia chair - design by Pier Luigi Frighetto

- New version with armrests
- New version with wooden legs available in Frassino Moro

Costa chairs - design by Matteo Thun and Antonio Rodriguez

- Collection composed of chair without armrests and small armchair
- Structure made of ash solid wood stained in the wooden finishes (Borgogna, Canaletto, Frassino Nero, Frassino Moro, Frassino Antracite, Frassino Miele, Frassino Lino)
- Upholstered in non-removable fabric, leather and synthetic leather
- Gros grain piping available only on backrest

Onda Indoor table – design by Pier Luigi Frighetto

- New “Large” version in width 240-280 cm available with lacquered, marble or wooden top
- New optional Ø 80 cm lazy susan available on round table with marble or lacquered top

Sabi table – design by Zanellato Bortotto

- Available in W 190-220-250-280 cm
- Table top lacquered with a technique inspired by the Urushi lacquering process, made up of different paint layers. Due to the special lacquering process used, the table is available only in the 4 following colour combinations: Mattone – Lavagna / Fango – Cipria / Crema – Nero / Senape – Lavagna

Nuvola Indoor armchair – design by Pier Luigi Frighetto

- Tubular structure available in Bronzo, Cromo and Titanio metal finishes
- Seat manufactured in woven Kraft paper in a natural finish
- Available with additional seat cushion in removable fabric or leather

Brando sofa – design by Pier Luigi Frighetto

- W 240-260 cm linear sofa
- Backrest available with woven Kraft paper or upholstered backrest with gros grain piping
- Available in fabric and leather with optional bi-colour (fabric and leather or two different fabrics)
- Cover in removable fabric or non-removable leather

[A]

Passage door for SPAZIOTECA and SIPARIO collections [A]

- Available with single or double door
- SPAZIOTECA 3 handles available (Built-in, C 25 and new handle **G12 and 32**)
- SIPARIO: Plana door (handles A-C-G-Q-B-L-Y-W- built-in), Nastro door, Cornice door, Amalfi door

[B]

Pivot door [B]

8 cm th. architectural door, with swivelling mechanism allowing an opening of 90° on both directions. Floor-to-ceiling installation. It can be paired to solid wall panels on both sides. Push-to-open opening. Available in Materico, Wood, Matt, high-gloss or metallic lacquer.

[C]

“Plus” door for Spazio collection [C]

Possibility to have the doors protruding by 2 cm from the top, sides and base as an option that replaces the handle or push-pull openings, without surcharge.

Possibility to customise the wood grain direction of wall panels, Spazio, people and Spazioteca fronts without surcharge. Please refer to the pricelist for limitations.

[D]

“Illumia” lighting system for Sipario, Anteprima and Teatro collections [D]

It replaces the current lights without any surcharge. The system includes horizontal lights on shelves and tops and vertical lights on sides and partitions. Illumina lights will soon be available on casegoods for day systems as well.

“Luna” back-lit back panels for Spazioteca collection
