

Destination you.

NUVOLA ROLF
BENZ

The Rolf Benz NUVOLA
comfort system sofa combines
unlimited freedom with casual
effortlessness **to create a
feeling you can touch and
enjoy.**

Here, all roads lead to your personal comfort. "Personal" is taken quite literally in terms of your seating comfort. Whether you prefer the soft, relaxed-looking Lounge Deluxe upholstery with an especially soft seat, or the well-established Lounge Plus comfort with a smoother seating surface, you're in the right place each time you take a seat on Rolf Benz NUVOLA.

One sofa. Plenty of space for ideas.

- Different sofa modules for flexible layout solutions
- 2 upholstery comfort versions
- 3 seat heights
- 3 leg versions
- Integrable tables & shelving
- More than 280 fabrics and 100 leathers
- Made in Germany

Finding the
feel-good factor.

Increased flexibility.

A number of individual elements that can be combined as you like, giving you the space to turn your ideas into reality in a stylish setting. Position your sofa free-standing in the room as an island of relaxation or arrange multiple sofas together as a comfortable living landscape.

Legs: Marrone metallic

Bridge the gap.

Integrate Rolf Benz 987 to create additional storage space. The table can be positioned between the seating modules or as an end section. As a shelf, Rolf Benz 987 is positioned behind the sofa. In addition to walnut and oak, the upper surfaces are also available in natural stone. Just like the legs of Rolf Benz NUVOLA, the frames are available in traffic black, Umbra grey or Marrone metallic. As a coffee and side table in this exciting mix of materials, Rolf Benz 985 perfectly enhances your furniture landscape.
